Company unveils new “Hospitality Lighting Catalog”

ROANOKE, VA. – Renaissance Contract Lighting & Furnishings announced today it has introduced a new “Hospitality Lighting Catalog”. “The new catalog continues to emphasize Renaissance’s commitment to creating unique lighting for the hospitality market” stated Troy Cook, company president. “Although the hospitality sector is struggling as a whole with the slow economy many aggressive developers are using this time to renovate and we have to be ready to meet their needs” indicated Cook.

“We are excited about our continued growth in this sector and thankful to our loyal customer base” said Cook.

Renaissance’s products can be seen at numerous hotels, resorts, public venues and on the web at www.RCLFinc.com and www.RenaissanceSiteFurnishings.com.
