

SM tops are created by fusing melamine top and bottom surfaces to a resin impregnated, chopped hardwood substrate under heat and pressure. The process produces a seamless, weather and water-resistant table top that looks good for a long time.

All tables are available in round, square and rectangle.

SIZES AVAILABLE				
DIA 24	DIA 28	DIA 32	DIA 36	DIA 48
24x24	28x28	32x32	36x36
